

LIST OF PUBLICATIONS**Prof FPR de Villiers****Books, Chapters in Books or Expert Reports**

1. De Villiers FPR. Therapy Guide for Clinical Nurses (1981) 120 pp. Published by George Stegmann Hospital for use by clinic nurses and during training for the Primary Care Nursing Diploma.
2. De Villiers FPR, contributor, to Management of DKA, and Guidelines for insulin therapy. In: Witwatersrand Diabetic Group. Kalk WJ, Huddle KRL (Eds). Practical Management of Diabetes. Hoecht: Johannesburg 1986; 59pp.
3. De Villiers FPR. Practical Management of Paediatric Emergencies. Johannesburg: Dept. of Paediatrics 1989 (*1st. edition*); 140pp. 1993 (*2nd. edition*); 154pp. ISBN 0-620-20453-2;
4. Househam KC, De Villiers F. Chapter 2: Normal growth and development in infancy and childhood. In: Kibel MA, Wagstaff LA (Eds) Child Health for All: a Manual for Southern Africa (2nd Ed). Cape Town: OUP. 1995.
5. De Villiers FPR. Priorities in Paediatric Psycho-oncology. In: Schlebusch L (Ed), Psycho-oncology and Behavioral Medicine. Johannesburg: CANSA. 1998. ISBN 1-86840-271-1
6. De Villiers FPR. Practical Management of Paediatric Emergencies. Johannesburg: Oasis Purple 1999 (*3rd. edition*), 150pp. ISBN 0-620-24069-5; Pretoria: Oasis Purple 2004 (*4th. edition*), 159pp. ISBN 0-620-33017-1; 2008 (*5th. edition*), 156pp. ISBN 978-0-620-42243-7.
7. De Villiers F. Chapter 4: Physical growth and development. In: Kibel MA, Wagstaff LA (Eds) Child Health for All: a Manual for Southern Africa (3rd Ed). Cape Town: OUP. 2001.
8. De Villiers F, Wagstaff LA. Chapter 65: Communication guidelines for health workers. In: Kibel MA, Wagstaff LA (Eds) Child Health for All: a Manual for Southern Africa (3rd Ed). Cape Town: OUP. 2001.
9. MacIntyre UE, De Villiers FPR. Estimation of the Economic Burden of Diarrhoeal Disease at Dr George Mukhari Hospital, Ga-Rankuwa. Report to the World Health Organisation, May 2006.
10. De Villiers F, Philotheou A. Chapter 7: Physical growth in childhood and adolescence. In: Kibel MA, Saloojee H, Westwood T. (Eds) Child Health for All (4th Ed). Cape Town: OUP. 2007.
11. De Villiers F. Chapter 7: Clinical presentation, examination and assessment of the child's development. In: Pretorius D, Mbokazi AJ, Hlase KK, Jacklin L (Eds). Child Abuse: Guidelines and Applications for Primary Healthcare Practitioners. Cape Town: Juta. 2012.

12. Mbokazi AJ, De Villiers F, Pretorius D, Kotze M. Chapter 11: Management of child abuse and associated dilemmas. In: Pretorius D, Mbokazi AJ, Hlase KK, Jacklin L (Eds). Child Abuse: Guidelines and Applications for Primary Healthcare Practitioners. Cape Town: Juta. 2012.
13. De Villiers FPR (Ed). Practical Management of Paediatric Emergencies. Pretoria: Oasis Purple 2016 (6th. edition), 159pp. ISBN 978-0-620-69812-2.

Publications in Refereed Journals

1. De Villiers FPR, Muller AC. Evaluasie van Wegdoenbare Plastiese Pipette vir gebruik in die Besinkingstoets. S Afr Med J 1974; 48: 269-270.
2. De Villiers FPR. Gesondheidsvoorligting tydens die Konsultasie. S Afr Med J 1982; 62: 945-947.
3. De Villiers FPR. Ideal Family Size in a Rural Tswana Population. S Afr Med J 1983; 63: 573-574.
